## **REGISTRATION FEES:**

### **FOR A WAGON - \$3,500**

(entire journey the first year including meals for one person and feed for two animals);

Discounts will be given to wagon drivers who haul people or freight affiliated with the train. It is the intention of the Wagon Master that all wagons will haul people and freight. ## **SPECIAL DISCOUNTS**

The first person in any walker/horseback/wagon family pays full price; the second and subsequent members of an immediate family (mother/father/children) pay half price. For example, a man riding in a wagon would pay \$3,500 for the entire trip, his wife and children would pay \$1,750 each.

A deposit of 50 percent of all fees for full time participants is due upon registration; the balance is due 15 June before the train leaves the coast of North Carolina. The checks should be made payable to the All American Wagon Train.

All full time wagon participants that haul people and/or freight affiliated with the wagon train will receive refunds of the discounted amount at the end of the trail.

Full payment is required upon registration for all individuals who will participate in less than the entire journey.
